Welcome to Auto Spares

Incepted in the 2002 "Auto Spares, Ludhiana", is engaged in manufacturing and supplying a wide range of sturdy Auto Spare Parts for light commercial and passenger vehicles. Available in diverse specifications, these automobile components are known for their durability, robust construction, and excellent performance. All products in this range can also be customized by clients in every aspect of shape, size, diameter and length as per their specifications. This range of high quality auto components is manufactured in compliance with international quality standards and can be easily availed by us at affordable prices.

Our quality inspectors supervise and maintain the quality of these components throughout, ranging from procuring of the raw materials to the final packaging. The entire range of Industrial Fabrications undergoes stringent quality checks at our Quality Control Unit to ensure that it is free from defects. Moreover, we not only aim to achieve quality standard in manufacturing but also adopt techniques to maintain the same.

Under the efficient guidance of our owner, ' Mr. Jyoti Grover ', we have been able to carve a niche for ourselves in this highly competitive domain. Owing to his vast experience in the industry, we have garnered a huge clientele which is spread across the country.
